VERSATILE™

STD-4C Mailboxes

Recessed-mount, multifamily residential mailboxes

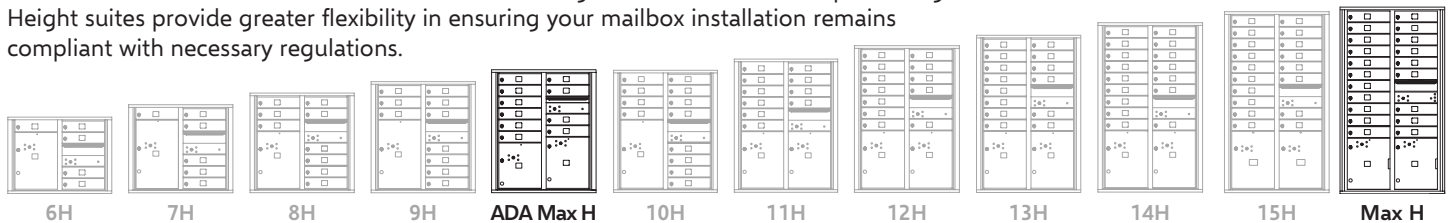

Wall-mounted STD-4C mailboxes are USPS Approved for all residential and commercial uses.

INDOOR / OUTDOOR

Height Options

MB = Mailboxes PL = Parcel Lockers R.O.= Rough Opening

The versatile™ 4C mailbox suites offer 12 different height suites with over 130 pre-configured individual modules. Height suites provide greater flexibility in ensuring your mailbox installation remains compliant with necessary regulations.

Contact your Florence Sales Representative for available mailbox modules in every 4C suite height.

Color Options

All 4C mailboxes, door parts, and directories are available in eight durable, powder coat finish options.

BK	DB	SD	AB
GS	SS	PG*	WH

Exchange "XX" in Model # SKU for two-digit color reference:

Black=BK, Dark Bronze=DB, Sandstone=SD, Antique Bronze=AB
Gold Speck=GS, Silver Speck=SS, Postal Grey=PG*, White=WH

*Postal Grey is USPS Approved for replacement only and is not intended for new installations.

Colors shown are representative of the actual powder coat finish but are limited by printing conditions and may vary slightly from finished product.
