

1250 SERIES

Vertical Mailboxes

 **INDOOR**

PRIVATE USE
Not USPS approved

All vertical mailbox modules are available in either recessed-mount for in-wall mounting or surface-mount (with included mounting collar).

Not USPS Approved for New Installations Always consult with local Postal Officials before proceeding with mailbox replacement.

RECESSED-MOUNTED

Fully recessed for in-wall mounting.

All Cabinets: 19-1/8" H, 6-1/8" D

7 Mailboxes

SURFACE-MOUNTED

When your mailbox installation location has limited wall depth or walls that are covered in material which makes it difficult to cut a rough opening, the surface-mount collar provides a sleek, finished look for the mailbox.
